the proposed resolution at the Third H Share Class Meeting. For details of the proposed resolution at the Third H Share Class Meeting, please also refer to the notice of the Third H Share Class Meeting enclosed with this circular.

### 2. PROPOSED ADOPTION OF THE LIST OF INCENTIVE PARTICIPANTS

References are made to the Circular, the Poll Results Announcement, and the announcement of the Company dated September 30, 2019, in relation to, amongst other things, the proposed adoption of the List of Incentive Participants. Key information pertaining to the Incentive Participants under the Initial Grant including the total number of Incentive Participants, Restricted A Shares and Share Options to be granted under the 2019 A Share Incentive Plan are set out in Appendix I to the Circular.

As disclosed in the Circular, on September 20, 2019, 13,657,803 Restricted A Shares and 5,292,174 Share Options are proposed to be granted initially to the Incentive Participants, representing 0.8338% and 0.3231% of the total share capital of the Company as at August 2, 2019 (being the latest practicable date of the Circular), respectively. Among the Initial Grant:

- (i) 311,200 Restricted A Shares will be granted to five Connected Participants (including one Director who is also the Company's co-chief executive officer);
- (ii) 13,346,603 Restricted A Shares will be granted to 2,043 Independent Participants; and
- (iii) 5,292,174 Share Options will be granted to 487 Incentive Participants.

The Independent Board Committee and the Independent Financial Adviser were both of the view that granting Restricted A Shares to the Connected Participants under the Initial Grant is on fair and reasonable terms. Details of their respective opinions are set out in the "Letter from the Independent Board Committee" and "Letter from Gram Capital" of the Circular.

On July 19, 2019, the Company has published and announced the List of Incentive Participants with the names and positions of the Incentive Participants. The full List of Incentive Participants is reproduced in Appendix I to this circular. The Supervisory Committee has also approved the List of Incentive Participants after thorough consideration of the opinions from the public. On September 12, 2019, the Company has published and announced the conclusions of the Supervisory Committee on the approval and the public opinions in relation to the List of Incentive Participants.

---

## LETTER FROM THE BOARD

---

The Supervisory Committee has reviewed the List of Incentive Participants according to the Administrative Measures, the PRC Company Law and the relevant requirements under the Articles of Association and opined as follows:

- (i) The Incentive Participants whose names appear on the List of Incentive Participants fulfil the qualifications specified by laws, regulations and regulatory documents (including the PRC Company Law) as well as the Articles of Association.
- (ii) None of the following circumstances has occurred to the Incentive Participants which would preclude him/her from being an eligible Incentive Participant as stipulated under article 8 of the Administrative Measures: (1) such participant is deemed as an inappropriate candidate by the relevant stock exchange in the most recent 12 months; (2) such participant is deemed as an inappropriate candidate by the CSRC or its agency authorities in the most recent 12 months; (3) such participant has been imposed administrative penalties or is banned from the securities market by the CSRC or its agency authorities due to material non-compliance of laws and regulations in the most recent 12 months; (4) occurrence of circumstances under which such participant is prohibited from acting as a director or member of the senior management of a company, as stipulated in the PRC Company Law; (5) such participant is prohibited by law and regulations from participating in share incentive scheme of listed companies; and (6) other circumstances as determined by the CSRC.
- (iii) The Incentive Participants whose names appear on the List of Incentive Participants fulfil the requirements under the Administrative Measures and relevant documents as well as the 2019 A Share Incentive Plan. The Incentive Participants under the 2019 A Share Incentive Plan do not include supervisors and independent directors of the Company, nor Shareholders of the Company who hold 5% or above of the Shares individually or jointly or de-facto controllers of the Company and their respective spouses, parents and children.

The Supervisory Committee is of the opinion that the Incentive Participants under the Initial Grant are in compliance with the conditions stipulated by relevant laws, and their eligibility as Incentive Participants under the 2019 A Share Incentive Plan is legal and valid.

The List of Incentive Participants, along with other matters relating to the adoption of the 2019 A Share Incentive Plan, were voted upon at the First Extraordinary General Meeting, the Second A Share Class Meeting and the Second H Share Class Meeting. As disclosed in the Poll Results Announcement, the adoption of the 2019 A Share Incentive Plan was approved in all three

---

meetings. The resolution to approve the List of Incentive Participants was passed at the First Extraordinary General Meeting and the Second A Share Class Meeting but not at the Second H Share Class Meeting on September 20, 2019.

In spite of the fact that the List of Incentive Participants was not approved at the Second H Share Class Meeting, the Board maintains its belief that it is in the interests of the Company and the Shareholders as a whole to grant the share incentives under the 2019 A Share Incentive Plan to the Incentive Participants. The Board, after due consideration, would respectfully ask for the H Shareholders to reconsider the List of the Incentive Participants for the reasons detailed below. As the List of Incentive Participants has already been passed at the First Extraordinary General Meeting and the Second A Share Class Meeting, a special resolution to consider and approve the List of Incentive Participants will only be proposed at a H Share class meeting of the Company.

### **3. REASONS TO RECONSIDER THE LIST OF INCENTIVE PARTICIPANTS**

As disclosed in the Circular, the Board has taken into account the respective roles, responsibilities, years of services, work experience, contributions, remuneration packages and prevailing compensation of similar positions in the market to determine the eligibility of the participants. The 2019 A Share Incentive Plan will play a crucial role in improving the long-term incentive mechanism of the Company, attracting and retaining talents, and motivating core personnel of the Company.

On the belief and view that the implementation of the 2019 A Share Incentive Plan supports and promotes the long-term interests of the Company and Shareholders, the Company remains earnest in promoting the 2019 A Share Incentive Plan. It is also noted that the statutory review and approval process required under the relevant PRC laws and regulations has been duly completed given (1) the List of Incentive Participants has been considered and approved by the Supervisory Committee and has been published and announced and (2) the Supervisory Committee has also issued an approval and explanatory statement on the publication and announcement in respect of the List of Incentive Participants. Notwithstanding that, the Company wishes to follow through its initial plan to voluntarily seek for the approval on the List of Incentive Participants from its H Shareholders who are entitled to exercise two-third of the voting rights underlying the total issued H Shares present at the relevant shareholders' meeting and therefore proposes to convene the Third H Share Class Meeting to reconsider the List of Incentive Participants with a view to demonstrating the Company's (1) utmost respect for the opinions of the Shareholders, (2) steadfast principle in consulting the views of the Shareholders on the 2019 A Share Incentive Plan and (3) all-time commitment to valuing the views of the Shareholders in its corporate governance regime.

### 4. THIRD H SHARE CLASS MEETING AND PROXY ARRANGEMENT

The notice of the Third H Share Class Meeting is set out on page 91 of this circular.

Pursuant to the Listing Rules, any vote of Shareholders at a general meeting must be taken by poll except where the chairman decides to allow a resolution relating to a procedural or administrative matter to be voted on by a show of hands. An announcement on the poll results will be published by the Company after the Third H Share Class Meeting in the manner prescribed under the Listing Rules.

The Incentive Participants, who are also the H Shareholders, and their respective associates shall abstain from voting on the proposed special resolution in respect of the adoption of the proposed list of Incentive Participants under the Initial Grant. To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, save as disclosed above, none of the H Shareholders is required to abstain from voting on any proposed resolution at the Third H Share Class Meeting.

The register of members of H Shares of the Company will be closed from Saturday, October 19, 2019 to Monday, November 18, 2019 (both days inclusive), during which no transfer of H Shares will be effected for determining the entitlements of H Shareholders to attend and vote at the Third H Share Class Meeting. In order to qualify as H Shareholders to attend and vote at the Third H Share Class Meeting, holders of H Shares who are not registered must lodge all transfers of shares accompanied by the relevant share certificates with the Company's H Share registrar, Tricor Investor Services Limited, at Level 54, Hopewell Centre, 183 Queen's Road East, Hong Kong for registration no later than 4:30 p.m. on Friday, October 18, 2019.

### 5. RECOMMENDATION

Based on the reasons stated in "— 3. Reasons to Reconsider the List of Incentive Participants", the Directors consider that the resolution in relation to the proposed adoption of the List of Incentive Participants is in the interests of the Company and the H Shareholders as a whole. Accordingly, the Directors recommend the H Shareholders to vote in favour of the relevant resolution to be proposed at the Third H Share Class Meeting.
