Article 110 Shareholders (including proxies thereof) shall exercise their voting rights as per the voting shares they represent. Each share carries the right to one vote.

Votes for medium and small investors shall be separately counted when any material matter affecting their interests is considered at the general meeting. The separate counting results shall be disclosed timely and publicly in accordance with relevant laws, regulations and the listing rules of the stock exchange in the place where the stocks of the Company are listed.

Any material matter affecting the interests of medium and small investors mentioned in the preceding paragraph refers to any matter on which the independent directors shall provide independent opinions, and the aforesaid medium and small investors are shareholders other than the Company's directors, supervisors, senior management officers and shareholder(s) severally or jointly holding more than 5% (inclusive) shares of the Company.

The Company has no voting right for the shares it holds, and such part of shares shall be excluded from the total number of voting shares represented by the shareholders attending the general meeting.

The Board, independent directors and qualified shareholders may publicly collect voting rights from shareholders. They shall adequately disclose specific information including voting intents to the persons whose voting rights are collected when collecting voting rights from shareholders. It is prohibited to collect voting rights from shareholders with compensation or compensation in disguised form. The Company and the convener of the general meeting shall not set minimum shareholding percentage limit for collection of voting rights. Article 112 The Company shall provide convenience for shareholders to attend general meetings by whatever means including giving priority to the use of modern IT means such as online voting platform, provided that the general meeting shall be held legally and validly.

Article 113 Unless the Company is in a crisis or any special circumstance, the Company may not enter into any contract with anyone other than a director, manager (president and CEO) or other senior management officer to have all or significant part of the Company's business in the care of the said person, unless with the approval by special resolutions at a general meeting.

Article 114 List of nominations for the candidates for directors or supervisors shall be submitted by way of proposal at general meetings for voting. The Board shall provide shareholders with the brief biographies and background information of the candidates for directors or supervisors. The election of directors and supervisors shall sufficiently take into account the opinions of medium and minority shareholders.

The general meeting shall adopt the cumulative voting system if more than two directors or supervisors are to be elected. The cumulative voting system mentioned in the preceding paragraph means that when directors or supervisors are being elected at a general meeting, each share has as many voting rights as the number of candidates for directors or supervisors, and the shareholders' voting rights may be used in a concentrated manner. The above voting shall be made as follows:

- (I) The total number of valid votes casted by each shareholder attending the meeting in election of directors or supervisors shall be equal to the number of voting shares held by the shareholder multiplied by the number of directors or supervisors to be elected;
- (II) Each shareholder may cast all his votes on single candidate for director or supervisor or spread his votes on different candidates for director or supervisor;

(III) Votes for single candidate of director or supervisor may be more or less than the number of voting shares held by the shareholder, which do not need to be integral multiples of the number of his shares. However, the accumulative number of the votes for all candidates for directors or supervisors shall not exceed the entitled total number of the valid voting rights;

After completion of voting, all the candidates for directors or supervisors shall be elected in descending order according to the number of votes they received, upon the capped number of directors or supervisors to be elected.

The specific issues of the cumulative voting system shall comply with the Rules for the Implementation of the Cumulative Voting System of WuXi AppTec Co., Ltd.

Article 115 Save under the cumulative voting system, the general meeting shall resolve on all the proposals separately; in the event of several proposals for the same matter, such proposals shall be voted on and resolved in the order of time at which they are submitted. Unless the general meeting is terminated or no resolution can be made for special reasons such as force majeure, voting of such proposals shall neither be shelved nor refused at the general meeting.

Article 116 No amendment shall be made to a proposal when it is considered at a general meeting, otherwise, the relevant amendment shall be deemed as a new proposal and shall not be voted on at the general meeting.

Article 117 The same voting right can only be exercised in only one form: onsite, over the network, or otherwise. Where the same voting right is exercised more than once, the voting result of the first time shall prevail.

Article 118 Unless the listing rules of the stock exchange and/or relevant laws and regulations in the place the shares of the Company are listed have different requirements or unless the following people request to vote by ballot before or after voting by show of hands, the general meeting shall vote by show of hands:

- (I) presider of the meeting;
- (II) at least two shareholders with voting right or their proxies;
- (III) one or several shareholders (including shareholder proxies) severally or jointly holding above 10% (inclusive) of the voting shares at the meeting.

Unless somebody proposes voting by ballot, the presider will announce the proposal approval situation based on the results of voting by show of hands and record the results in the meeting minutes as final evidence, and does not have to prove the number or proportion of affirmative or negative votes on the resolutions passed at the meeting.

The request for voting by ballot may be withdrawn by the proposer.

Article 119 If the matter on which voting by ballot is requested is to elect a meeting presider or discontinue the meeting, voting by ballot shall be conducted at once; for other matters on which voting by ballot is requested, the meeting presider will decide on when to conduct the voting, and the meeting may be continued to discuss other matters, and the voting results will still be deemed as resolutions passed at the meeting.

Article 120 During voting by ballot, the shareholders (including shareholder proxies) with two or more votes don't have to cast all votes yes or all votes no.

Article 121 When the number of negative votes is equal to the number of affirmative votes, the shareholder as the meeting presider has the right to cast one more vote.

Article 122 Before proposals are voted on at the general meeting, two shareholders' representatives shall be elected to count and monitor counting of the votes. Where any shareholder has interests in any matter considered, the said shareholder and proxy thereof shall not participate in counting and monitoring of votes.

When proposals are voted on at the general meeting, the lawyer, shareholders' representative and supervisors' representative shall be jointly responsible for the counting and monitoring of the votes and shall announce the voting results on the spot, which voting results shall be recorded in the meeting minutes.

Shareholders or proxies thereof voting over the network or other means shall have the right to check their voting results via the corresponding voting system.

Article 123 A general meeting shall not conclude earlier at the venue than over the network or otherwise, and the presider shall announce the voting result of every proposal and announce whether the proposal is passed or not according to the voting result. His decision is final and shall be announced at the meeting and recorded in the meeting minutes.

Before the voting result is announced, the relevant parties including the Company, counting officer, monitoring officer, major shareholders and network service provider involved at the venue, over the network or otherwise shall have the confidentiality obligation.

Article 124 A shareholder attending a general meeting shall express one of the following opinions on any proposal to be voted on: pro, con or abstention. The securities registration and clearing organization shall be the nominal holder of shares under the Mainland China and Hong Kong Stock Connect scheme, except where declaration is made in accordance with the actual holder's intent.

Blank, wrong, illegible or uncast votes shall be deemed as the voters' waiver of their voting rights, and the voting results representing the shares held by such voters shall be counted as "abstentions".

If Hong Kong Listing Rules stipulate that any shareholder must waive its voting right on a specific matter to be resolved, or limit any shareholder to voting for (against) a specific matter to be resolved, and the shareholder violates such stipulation or limitation, the votes cast by the shareholder or proxy thereof shall not be counted.

Article 125 If the presider has any doubt as to the result of a resolution which has been put to vote at the general meeting, he may have the votes counted. If the presider has not counted the votes, any shareholder who is present in person or by proxy and who objects to the result announced by the presider may, immediately after the declaration of the result, demand that the votes be counted and the presider shall have the votes counted immediately.

If votes are counted at the general meeting, the counting result shall be recorded in the meeting minutes.

Article 126 Resolutions of the general meeting shall be announced in due time. The announcement shall specify the number of attending shareholders and their proxies, the total number of voting shares they represent and the proportion of these shares to the total number of the voting shares of the Company, the voting method, the voting result for every proposal and the details of each of the resolutions passed.

Article 127 Where a proposal has not been passed or the resolutions of the preceding general meeting have been changed at the current general meeting, special mention shall be made in the announcement of the resolutions of the general meeting.

Article 128 Where a proposal on election of directors or supervisors is passed at the general meeting, the directors elected or supervisors elected shall take office on the date when the resolution is passed at the general meeting, save as otherwise specified by the general meeting.

Article 129 Where a proposal on cash dividends, bonus shares or increase of equity capital by way of transfer from capital reserves is passed at the general meeting, the Company shall implement the specific scheme within two months after conclusion of the general meeting.
