SUPPLEMENTAL ANNOUNCEMENT TO THE POSITIVE PROFIT ALERT

Reference is made to the announcement of WuXi AppTec Co., Ltd.* (無錫藥明康德新藥開發股份有限公司) (the “**Company**”) dated January 30, 2019 (the “**Announcement**”). Unless otherwise defined, capitalised terms used herein shall have the same meanings as those defined in the Announcement.

The Company would like to clarify that (a) the realised net profit attributable to shareholders of the Company for the year of 2018 was estimated to increase by a range between RMB858.9655 million and RMB1,055.3004 million; and (b) the net profit attributable to shareholders of the Company after deducting the non-recurring profit or loss was estimated to increase by a range between RMB450.4000 million and RMB607.0607 million.

In addition, as stated in the Announcement, the estimated growth in the results of the Company is mainly attributable to the continuous increase in revenue and profit from the principal business of the Company and its subsidiaries (the “**Group**”), and the application of the new China Accounting Standards for Business Enterprises in relation to financial instruments. The impact of the application of the new accounting standard would result in an estimated change of the profit or loss for the current period of a range between RMB566.3790 million and RMB664.8797 million due to the recognition of change in fair value of financial assets through profit or loss. Such application of the new accounting standards in relation to the financial instruments is expected to have the same financial impact on the Group’s consolidated financial statements of 2018 under International Financial Reporting Standards (“**IFRSs**”) issued by International Accounting Standards Board. The Group adopted the new accounting standard IFRS 9 “Financial Instrument” during the same period starting January 1, 2018.

Save as disclosed above, all other information contained in the Announcement remains unchanged. This announcement is supplemental to and should be read in conjunction with the Announcement.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
